SAHARA NOIR

SAN12V | SAN20V

SIZE FORMAT

1600x3200mm

SURFACE FINISHES

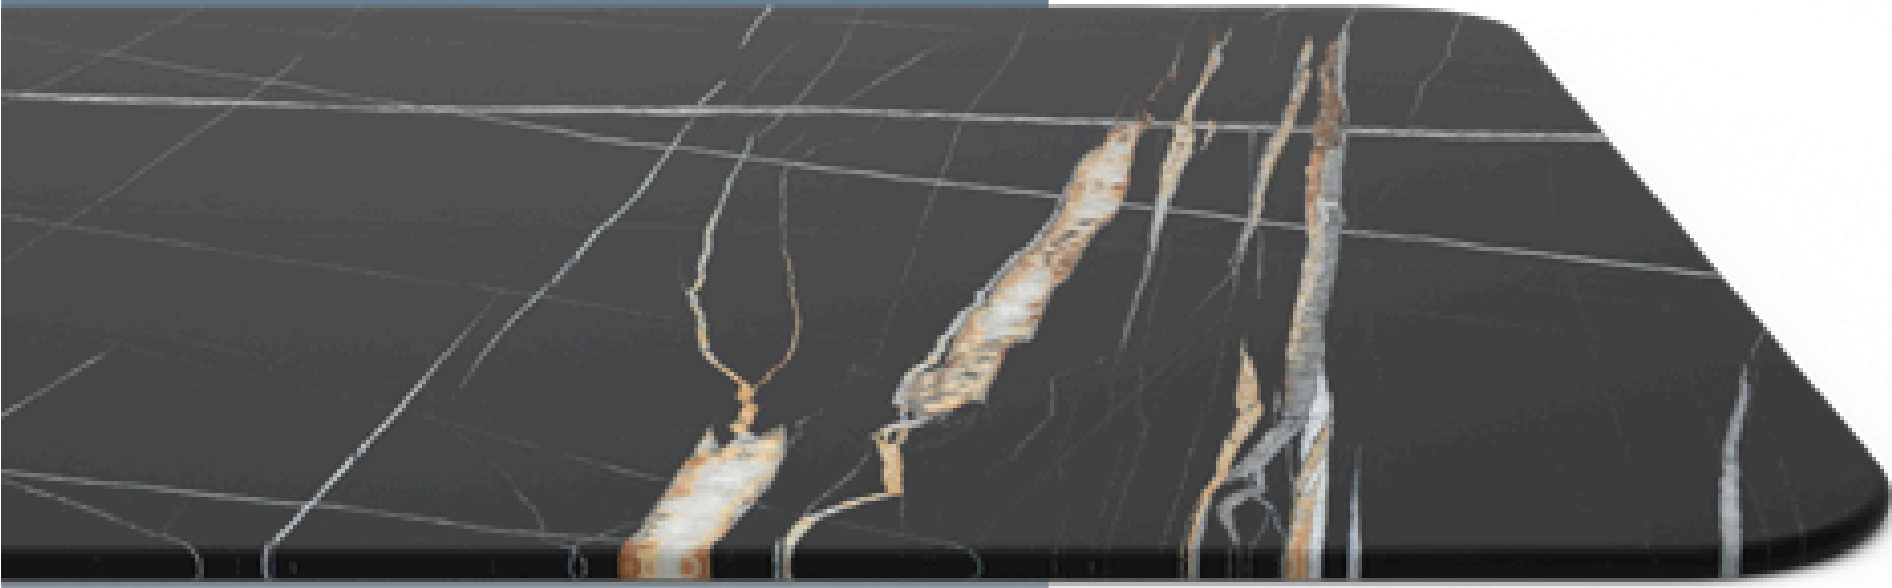

Polished | Honed

THICKNESS

12mm | 20mm

Hotline: 0944330077

A sleek black marble which allows for the old and new to connect but not mutually interfere with one another. There is a natural order of uniformity and dissonance united within the surface pattern which can give a sense of depth and order to the whole.
